How To Promote The Live Webinars and get Your Friends And Prospects To Attend

OK You Guys... Make sure you READ, UNDERSTAND and IMPLEMENT this and SHARE this with your groups ASAP The purpose of this document is help everyone DUPLICATE our success!

This BLUEPRINT will help you build your CFX Business by getting people to look at your CFX Business from both a Bear Customer and Bull Builder perspectives.

For starters you should (MUST REALLY) watch this live stream training
<https://vimeo.com/401062018>

Ok now that you watched the training and you understand Building a Targeted Audience and using the FB Blueprint to do this, and you understand “Framing” a message ... we can move on Simple way to frame recorded webinar is with the goal of getting your prospect to the next live event (or possible getting them in if they like what they see from the recording) Keep in mind some will see enough and be ready to join you.

HOW TO SHARE A ZOOM CALL WITH FACEBOOK

Hey Joe, this company I have been working with for _____ (this will be different for everyone) has been paying out and executing with precision for 9mths, just launched a brand new webinar series called a NEW SOCIAL MOVEMENT with the goal of impacting a hundred thousand lives in 2020 with a financial gain. This is a recording of our first ever session I think you will like what we're doing. Take a few minutes and this video today and if you like what you see I can send details of our next LIVE STREAM. <https://vimeo.com/401034278>
